## MUNICIPAL BY-LAWS.

### BY-LAW No. 35.

A By-Law to authorize the levying of a rate on assessment for City Purposes for the current Municipal Year 1887.

WHEREAS it is expedient and necessary to raise the sum of \$34,235.07, required for the current year, by a tax on all the real and personal property appearing on the assessment rolls of the City of Vancouver for the year 1887.

And whereas the amount of the whole rateable property of the City of Vancouver, as shown by the last revised assessment rolls of the City, is \$2,738,806, and it will require a tax of one cent and a quarter of a cent ( $1\frac{1}{4}$ ) in the dollar on the amount of the said rateable property to raise the sum so required as aforesaid, to be divided as follows:—

5/100 of a cent for construction of water tanks, etc., under By-Law No. 12;

4/100 of a cent for purchase of steam fire engine, hose and hose reels, under By-Law No. 13;

40/100 of a cent for general improvements, under By-Law No. 29, and 76/100 of a cent to meet the ordinary current Municipal expenditure for the year A.D. 1887.

Now therefore, the Mayor and Council of the City of Vancouver enacts as follows:—

1. There shall be raised, levied, and collected a tax of one cent and a quarter of a cent ( $1\frac{1}{4}$ ) in the dollar upon the whole assessed value of the real and personal property in the City of Vancouver, according to the last revised assessment rolls for the year of our Lord 1887, for the uses and purposes of the said City during the current Municipal year.

## A BY-LAW

*For the government of the Fire Department of the City of New Westminster.*

THE Corporation of the City of New Westminster enacts as follows:—

1. The Fire Department shall consist of the existing Fire Companies, and such other Companies as may be from time to time admitted.

2. The officers of the Fire Department shall consist of a Chief Engineer and an Assistant Engineer.

3. The first election under this By-Law for Chief Engineer and Assistant Engineer shall take place on the second Monday in January next, and all subsequent elections shall take place on the second Monday in January in each year thereafter.

4. The persons at present holding the positions of Chief Engineer and Assistant Engineer shall hold office until the first election under this By-Law, and until their successors are elected, and during such time they shall have and may exercise all the powers herein conferred upon the persons holding the said offices.

5. The nomination and election of Chief and Assistant Engineers shall be held and conducted in accordance with the provisions of the Municipalities Act governing the election of Mayor and Councillors for the time being in force, save as hereinafter provided.

6. All persons entitled to vote for the election of Mayor and Councillors, and all active members of the Fire Department of one year's good standing, shall be qualified to vote at the election of Chief Engineer and Assistant Engineer.

7. The Chief Engineer shall have power to organize as many Fire Companies, Hook and Ladder Companies, Salvage Companies, or other Companies as he may deem necessary for the efficiency of the Department, and such Companies and their officers shall be subject to the direction and control of the Chief Engineer under all circumstances, except such control would affect the said Companies in the management of their own funds and Company business meetings.

8. In all cases where the expenditure of money is involved in organizing new Companies (by the Chief Engineer) he shall first obtain the consent of the City Council before proceeding to organize such new Companies or Companies.

9. All moneys received by the Chief Engineer for the use of the Department shall be disbursed by him for such purposes in connection with his Department as he may deem expedient.

10. In all cases where the expenditure by the Chief Engineer of a sum of money exceeding twenty dollars is involved he shall, where practicable, publicly call for tenders.

11. The Chief Engineer shall cause a semi-annual report to be made to the Municipal Council of the amount of property belonging to the Fire Department, and its condition, of the financial state of the Department, and of the respective Companies, and of the number of men enrolled, with any other information or recommendations he may deem advisable. Such reports shall be made up to the 30th day of June and the 31st day of December in each year, and shall be delivered to the City Clerk within even days thereafter.

12. The Chief Engineer shall, in all cases of fire, or alarm thereof, have sole and entire control over all apparatus and members of the Fire Department. He may call out the Department, or part thereof, for drill, and may call out the whole Department for parade. He shall have power, and it shall be his duty, to suspend any engineer, company officer, or company for disobedience of or unnecessary delay in executing his orders, or the orders of the assistant, or for disrespectful language. He shall see that all fire apparatus, fire company houses, and public cisterns are kept in good order and condition, and report to the Municipal Council repairs or supplies required by

the Department, or any company thereof. He shall, upon learning of any improper practice in or about the house of any Company, notify the Captain or Foreman thereof of the same, and upon their repetition report the name or names of the offenders, and facts connected therewith, to the Company when next convened. No supplies can be ordered without being endorsed by the Chief Engineer.

13. If at any fire the Chief Engineer, or in his absence the Assistant Engineer, should consider that the progress of such fire might be stayed by the pulling down of a building or buildings, he or they shall cause such building or buildings to be pulled down, and in the absence of both, the first Captains of any Company on the ground may, with the consent of the Mayor, or of a Fire Warden, cause such building or buildings to be pulled down.

14. The Assistant Engineer shall immediately upon arriving at fires report himself to the Chief Engineer for his orders. At fires, or alarms thereof, Chief or Assistant Engineers shall convey their orders to companies by their respective numbers, and if practicable, to the officer in command. Whenever the Chief Engineer shall be absent from the city, or shall be prevented from discharging the duties of his office, the Assistant Engineer shall perform the duties and possess the rights and powers of said office during such disability or absence.

15. The officers of the Engine Companies shall consist of a Captain, a First Lieutenant, Second Lieutenant, and such other officers as the Companies may deem necessary.

16. The officers of the Hook and Ladder Companies shall consist of a Foreman, a First Assistant Foreman, a Second Assistant Foreman, and such other officers as the Companies may deem necessary.

17. Other Companies than Fire and Hook and Ladder Companies shall have power to appoint such officers as they may deem necessary: Provided always, that such appointments do not in any way conflict with the working of other Companies.

18. Each and every Company shall keep its apparatus in good order and condition, so that the same shall be ready for instant service. They shall during a fire, or alarm thereof, have an officer in charge of their apparatus, and others in charge of their branch pipes. It shall be the duty of said officers to receive their orders from the Chief and Assistant Engineers, and convey the same to their Company, or branchman, as may be required.

19. Each Fire Company shall have power to elect its own officers, and to make such rules, regulations and by-laws as may be deemed necessary for its government: Provided that all such rules, regulations and by-laws shall not conflict with those of the Department.

20. The Captain of each Engine Company, and Foreman of each Hook and Ladder Company, shall have charge of the apparatus belonging to his Company. The Captain of each Engine Company shall at fires direct the placing of the apparatus, and have charge and direction of the hosemen. The Captain of every Company shall preserve order and discipline at all times among the members of the Company under him.

21. The Captain or Foreman of Companies shall report promptly to the Chief Engineer any breakage or

disarrangement of the apparatus, or repairs required to the house under their respective charge, and shall see that the same are kept in good order and condition. They shall at fires, or alarms thereof, see that the orders of the Chief and Assistant Engineers are punctually obeyed. They shall certify to the correctness of the annual and voting rolls of their respective Companies. They shall, in accordance with the provisions of the amended Protection Act, send to the sheriff on or before the 15th of July in each year a full and correct list of all their active members.

22. Whenever the Captain of a Company shall be absent from a fire, or alarm thereof, or from sickness or other causes be unable to attend to the duties of his office, all his rights, powers and responsibilities in and to the Department shall devolve upon the First Lieutenant of such Company during such absence or disability, or in his absence, upon the Second Lieutenant.

23. Hook and Ladder Companies at all fires must report themselves the same as other Companies, and await the orders of the Chief or Assistant Engineer.

24. The duties of Hook and Ladder Companies shall be to pull down buildings and render any other assistance ordered by the Chief or Assistant Engineer.

25. No member of the Department shall carry into or keep in any fire station or house in the Department any intoxicating liquors. Any member of the Department who shall be intoxicated in or about any of the Department houses, or at a fire, shall be suspended or dismissed from the Department at the option of the Chief Engineer, or the Company to which he belongs.

26. The Mayor and Council shall have control and management of the public property now pertaining to the Fire Department of the said City of New Westminster, and shall from time to time in their discretion purchase, add to, and acquire when necessary, or sell and dispose of when not required for the use of the Department, engines, hose carriages, hose, and such other property as the exigencies of the Department may require.

27. No persons will be allowed in the different houses of the Department, unless they be with a member of a Company, without permission of the Chief Engineer, and the person in charge at each Department house must see that this rule is enforced. No person shall be allowed to interfere with firemen in the discharge of their duties.

28. All By-Laws heretofore enacted relating in anywise whatsoever to the Fire Department are hereby repealed.

29. This By-Law may be cited as the "Fire Department By-Law, 1887."

By-Law read a third time and passed by the Municipal Council on the 4th day of April, A.D. 1887.

Reconsidered, adopted, and the seal of the Corporation appended hereto this 11th day of April, A.D. 1887.
